

Dangerous Structures.

Removal of
structures,
etc., which
are in ruins or
likely to fall.

354. (1) If it shall at any time appear to the Commissioner that any structure (including under this expression any building, wall or other structure and anything affixed to, or projecting from, any building, wall or other structure) is in a ruinous condition, or likely to fall, or in any way dangerous to any person occupying, resorting to or passing by such structure or any other structure or place in the neighbourhood thereof, the Commissioner may, by written notice, require the owner or occupier of such structure to pull down, secure or repair such structure, and to prevent all cause of danger therefrom.

(2) The Commissioner may also, if he thinks fit, require the said owner or occupier, by the said notice, either forthwith or before proceeding to pull down, secure or repair the said structure, to set up a proper and sufficient hoard or fence for the protection of passers-by and other persons, with a convenient platform and hand-rail, if there be room enough for the same and the Commissioner shall think the same desirable, to serve as a footway for passengers outside of such hoard or fence.

¹ *Works unlawfully carried on.*

Power of
Commissioner
to direct
removal of
person
directing.

¹ **[354A.** Where the erection of a building or the execution of any such work as is described in section 342 has been unlawfully commenced or is being unlawfully carried on upon any premises, the Commissioner may after three days' notice direct that any person directing or carrying on such erection or execution shall be removed from such premises by any police officer.]

CHAPTER XIII.

LICENSING OF SURVEYORS AND PLUMBERS.

Grant of
licenses to
surveyors and
plumbers.

355. (1) The Commissioner may grant to any person he thinks fit a license to act as a surveyor or as a plumber for the purposes of this Act. Each such license shall be for a renewable period of one year.

(2) If any applicant for a license to act as a surveyor is a licentiate of civil engineering or a person who has passed some test of professional qualification equivalent to that for a licentiate of civil engineering, his application shall not be refused by the Commissioner, except with the approval of the

standing committee and upon the ground that the applicant is unfit, through incompetency, misconduct or other grave reason, to hold such license.

(3) If the Commissioner refuses any application for a license under this section, he shall, at the request of the applicant, furnish such applicant with his reasons for such refusal in writing under his signature, without charge.

356. The Commissioner may, with the approval of the standing committee, from time to time prescribe regulations for the guidance of licensed surveyors and plumbers, respectively, and a copy of all regulations so prescribed at the time in force shall be written on the back of every license granted to a surveyor or plumber, respectively.

Regulations may be prescribed for guidance of licensed surveyors and plumbers.

357. The standing committee may from time to time prescribe the fees or charges to be paid to licensed plumbers for any work done by them under or for any purpose of this Act; and no licensed plumber shall demand or receive more than the fee or charge so prescribed for any such work.

Fees and charges of licensed plumbers to be prescribed by the standing committee.

358. No licensed plumber shall execute any work under this Act carelessly or negligently or make use of any bad material, appliance or fitting for the purpose of such work.

Licensed plumber to be bound to execute work properly.

CHAPTER XIV.

MUNICIPAL FIRE-BRIGADE.

359. (1) With a view to the discharge by the corporation of the duty of extinguishing fire and protecting life and property in case of fire, the Commissioner shall provide, in the schedule of municipal officers and servants from time to time prepared by him under section 79, for a force of firemen, with a proper number of officers over them, to be called "the municipal fire-brigade," and shall furnish the said brigade with all such fire-engines, fire-escapes, horses, accoutrements, tools, implements and means of inter-communication as may be necessary for the efficient discharge of their duties.

Maintenance of firemen and of necessary fire-engines, etc.

(2) A person may be appointed to be a member of the fire-brigade in addition to any other office or employment of such person.

360. The Commissioner shall from time to time make regulations for—

(a) the training, discipline and good conduct of the men belonging to the fire-brigade,

Power to make regulations for fire-brigade.
